- Ribbons to 6th place, with Championship and Reserve Champion in each Division. Year end series Championship will be awarded for each division. Entry forms available online and at the show.
- Show begins at 11:00; arena opens at 10:00 for schooling and will open for brief schooling before each division. There will also be an additional schooling area open all throughout the show.
- Lead-line Class: entrants will be led by a handler at the walk and will be asked a question by the judge. All participants will receive a ribbon. It is perfect for little ones to feel a part of the show!
- Hunter Hack: Entrants will work horses in a flat phase that will be judged and scoring will count for 60% of their total points for the class. Entrants will then be told to jump 2 jumps (jumps will be specified by the judge) and scoring will count for 40% for their total points for the class. This is a great class for those who aren't jumping full courses or are looking to step up to a higher division but not sure if they can jump an entire course at that height. Points will go towards division championship.
- There is plenty of space for trailer parking. Round pen access, restrooms, and concessions also available.
- Dogs are allowed on the property **only on leash and supervised at all times.**
