*"I have used SORE NO-MORE products for years. A few years ago we put two horses on Steadfast. One had an old tendon injury and the other had an acute minor ligament injury. Although both horses remained in competition, within a few months scans showed no evidence of the ligament injury and the old tendon injury had become inactive with barely noticeable scar tissue. I also started all of my competition horses on Assure Plus and Assure Guard. Since then, our omeprazole use has drastically reduced. We have been so impressed with the results of the Steadfast and Assure products that we recommend them to everyone." -Thaisa Erwin*

STEADFAST and ASSURE GUARD are scientifically proven to provide ultimate joint, soft tissue and digestive support for horses performing at any level. SORE NO-MORE and the new SORE NO-MORE PERFORMANCE are the most comprehensive herbal topical lines designed for any horse and to meet FEI regulatory guidelines. SORE NO-MORE Performance Ultra is a clinical strength formula designed for the fastest and most effective cooling.

## **PROTECTIVE HEADGEAR**

(Excerpt from USEF Rule GR801)

1. It is the tradition of the competition ring that riders and drivers be correctly attired for the class in question, that attendants be neatly dressed and horses be properly presented.
2. It is compulsory for all persons at Federation licensed hunter, jumper or hunter/ jumper competitions when mounted anywhere on the competition grounds, to wear properly fastened protective headgear which meets or exceeds ASTM (American Society for Testing and Materials)/SEI (Safety Equipment Institute) standards for equestrian use and carries the SEI tag. It must be properly fitted with harness secured. It is compulsory for riders in Paso Fino classes, both open and breed restricted including Hunter Hack, where jumping is required and when jumping anywhere on the competition grounds to wear properly fastened protective headgear which meets or exceeds ASTM (American Society for Testing and Materials)/SEI (Safety Equipment Institute) standards for equestrian use and carries the SEI tag. It must be properly fitted with harness secured. A Show Committee must bar riders without protective headgear from entering the ring for classes in which protective headgear is required and may bar any entry or person from entering the ring if not suitably presented to appear before an audience.
3. Except as may otherwise be mandated by local law, all sub-juniors riding in the Paso Fino division, while riding anywhere on the competition grounds, must wear properly fitting protective headgear which meets or exceeds ASTM (American Society for Testing and Materials)/SEI (Safety Equipment Institute) standards for equestrian use and carries the SEI tag. Harness must be secured and properly fitted. Any rider violating this rule at any time must immediately be prohibited from further riding until such headgear is properly in place. For all exhibitors competing in the hunter, jumper, or hunter seat equitation section, if a rider's chin strap becomes unfastened, the rider may stop, re-fasten the chin strap and continue his/her round without penalty or elimination. A judge may, but is not required to stop a rider and ask them to refasten a chin strap which has become unfastened, again without penalty to the rider. Members of the Armed Services or the Police may wear the Service Dress Uniform.
4. Any exhibitor may wear protective headgear (ASTM/SEI) and/or a protective vest either body protecting or inflatable, specifically designed for use in equestrian sport in any division or class without penalty from the judge. The Federation recommends that the vest pass or surpass the current ASTM

standard F1937 or be certified by the Safety Equipment Institute. For Eventing, inflatable vests are permitted only when worn over a body protecting vest.

5. See DC117.6.3 for protective headgear requirement in Combined Driving.
6. See DR120 for protective headgear requirement in Dressage.
7. Except as may otherwise be mandated by local law, the Federation strongly encourage all riders, while riding anywhere on the competition grounds, to wear protective headgear with harness secured which passes or surpasses ASTM (American Society for Testing and Materials)/SEI (Safety Equipment Institute) standards for equestrian use and carries the SEI tag. (Exception hunter, jumper, or hunter/jumper competitions refer to GR801.2) It is the responsibility of the rider, or the parent or guardian or trainer of the junior exhibitor to see to it that the headgear worn complies with appropriate safety standards for protective headgear intended for equestrian use, and is properly fitted and in good condition, and the Federation, Show Committee, and Licensed Officials are not responsible for checking headgear worn for such compliance.
8. The Federation makes no representation or warranty, express or implied, about any protective headgear, and cautions riders that death or serious injury may result despite wearing such headgear as all equestrian sports involve inherent dangerous risk and as no helmet can protect against all foreseeable injuries.
9. Boots/shoes worn while riding anywhere on the competition grounds must have a distinguishable heel. (Exception: Arabian, Hackney Pony, Morgan, National Show Horse, Parade, Roadster, American Saddlebred, and Saddle Seat Equitation).
10. Competitors must display the correct number which must be clearly visible while performing in any class unless otherwise stated in the prize list. Competitors may be penalized at the discretion of the judge. Numbers to be supplied by management in compliance with GR1213.11. Refer to DR121.11 (Dressage) and DR207.8 (Dressage Sport Horse Breeding).
11. Refer to EQ109.1 and HU127.

#### **GENERAL AND ANIMAL WELFARE POLICY FOR RIDER, TRAINER, OWNER, AND GROOM**

Upholding the welfare of the horses exhibited here is of primary concern The Colorado Horse Park. We require that all horses be treated with kindness, respect and compassion and never be subject to mistreatment. Owners, trainers, riders and grooms, or their agents, must use reasonable care in handling and treatment of their horses, whether owned or placed in their care for competition or for any other purpose. At all times while the horse is on the show grounds we will provide for the continuous well-being of the horse by vigorously enforcing the rules of the USEF which pertain to the welfare of the horse. Exhibitors are cautioned that GR302 (which defines the USEF's policy on abuse), GR806 (which pertains to Poling), and GR320 (which pertains to the Use of Whips), will be strictly enforced. Any handling and veterinary treatment should ensure the health and welfare of the horse. High standards of nutrition, health, sanitation and safety shall be encouraged and maintained at all times. Adequate provision will be made for ventilation, feeding and watering and maintaining a healthy environment. Any method of riding and training should take account of the horse as a living entity and must not include any technique considered to be abusive. The well-being of the horse must be considered above the demands of the breeders, trainers, riders, owners, dealers, organizers, sponsors or officials. Violators are subject, under the above rules, to elimination from competition and to protest or charge with resulting formal proceedings which may result in severe fines, suspensions or other penal-

ties. To affirm the sport of show jumping to the general public in a positive, humane light and eliminate those training methods which may be misconstrued, we are maintaining the following policy in all areas of the horse show grounds, starting one half hour before the first scheduled class of the horse show and continuing until the last scheduled class of the horse show is completed.

#### **POLING AND OFFSETS**

Any rider or trainer found poling or using offsets, as well as the horse or pony involved, will be immediately eliminated from the class where the incident occurred, be suspended for a twenty-four hour period starting from the time of the incident and will forfeit all entry fees. In the case of further violations by that exhibitor, on the same horse or another horse, the exhibitor may be barred from any or all future classes at the show and all stabling, nomination and entry fees will be forfeited.

#### **USE OF WHIPS AND SPURS**

Any rider, who in the opinion of the judges, stewards or schooling supervisors, uses their whips or spurs in a cruel or excessive manner will be immediately eliminated from the class in which the incident occurred, may be suspended from further showing for a twenty-four hour period starting from the time of the incident. In the case of further violations by that exhibitor, on the same horse or another horse, the exhibitor may be barred from any or all future classes at the show in which the violations occurred and all stabling fees, nomination fees and entry fees will be forfeited. All incidents will be reported in the Steward's and/or Technical Delegate's Report and reviewed by USEF's Executive Director for possible further investigation and charges for hearing before USEF's National Hearing Committee.

#### **DOGS**

**All dogs on the show grounds must be leashed and under control at all times. No dogs are allowed in stable area, in or around arenas or other areas, or in exterior RV areas without leashes, for their safety ... and the safety of others. Third offence - removal of animal from CHP facility.**

## **\$25,000 CHILDREN'S & ADULT AMATEUR JUMPER CENTRAL REGIONAL CHAMPIONSHIPS (WEEK VI)**

CLASS ENTRY: \$400 + \$50 USHJA FEE

### REGIONAL CHAMPIONSHIP COMPETITION SPECIFICATIONS

Regional Championships must be held over three days. The following three classes must be held in the order listed.

- a. Day One – The First Individual Qualifying Class will be conducted under Table II.2.1. Fences to be set at 1.10m with spreads to 1.20m. Speed 350m/m.
- b. Day Two – The Team Championship/Second Individual Qualifying Class is a two round Nation's Cup format for the Team Championship which also serves as the Second Qualifying Class for the Individual Championship. Fences to be set at 1.15m with spreads to 1.25m. Speed 350m/m.
- c. Day Three– The Individual Championship will conclude with the Third Individual Qualifying Class. It will be held over one round. Fences to be set at 1.15m with spreads to 1.30m. Speed 350m/m. for each round.

Each course must have no fewer than 12 jumping efforts and either 2 doubles or one triple and one double combination. Three out of the four courses must include a Liverpool.

### SCORING

First Individual Qualifying Class – The First Individual Qualifying Class will be conducted under Table II, Sec 1 format. The scores obtained by each competitor will be converted into points. The winner gets one more point than the number of starters. The second place gets two points less than the winner, the third place gets three points less than the winner, and so on. Competitors who have been eliminated or who have retired do not get points. Points will then be transformed to penalties. The competitor with the highest number of points will have zero (0) penalties. For all other competitors, the number of penalties will be calculated by multiplying with a coefficient of .50 the difference between their points and the points of the leading competitor.

Team Championship/Second Individual Qualifying Class - Nations Cup format – Table II modified over two identical rounds, with a jump-off against the clock in case of equality of Teams for 1st, 2nd, and or 3rd place. If two jump-offs are required, the jump off for third place will take place before the jump-off for second and first place.

The Team Championship is open only to rider/horse combinations that have taken part in the First Individual Qualifying Class (Day One).

For the Team Championship each team of four will discard their high score in each round. A team with three riders will have no discard score. If a Rider is eliminated or retires from the round, he will receive 20 faults more than the competitor with the most penalties. The winning team will be the team with the lowest combined scores from the two rounds, or from the jump-off if a jump-off is required. If a jump-off is required, one team member from each jump-off eligible team, nominated by the team's Chef d'Equipe, will compete in the jump-off.

Individual Championship/Third Individual Qualifying Class – Table II modified over one round with a jump-off against the clock in case of equality for 1st, 2nd and/or 3rd place. If two jump-offs are required, the jump off for third place will take place before the jump-off for second and first place.

The top 20 placed horse/rider combinations based on the cumulative penalties from the First, and Second (both rounds) Individual Qualifying Classes, including ties for twentieth place are eligible to compete. They must have participated in the

First Individual Qualifying Class (completed or not) and have completed the Second Individual Qualifying Class without having been eliminated or retiring. If, for any reason, one or more of the qualified horse/rider combinations are unable to start, they will not be replaced.

The Individual Champion is the horse/rider combination with the lowest cumulative score from the First and Second Individual Qualifying Classes and the one round of the Individual Championship (jump-off scores from the Team Championship will not be added in).

### STARTING ORDER FOR THE TEAM AND INDIVIDUAL CHAMPIONSHIPS

- a. Team Championship - The starting order in the Team Championship will be according to a draw for the first round. In the second round the starting order will be according to the reverse order of penalties incurred in the first round. In the second round individuals will start before the teams. In the case of individuals or teams with equal penalties, the first round starting order will be retained. In the case of a jump-off, the starting order will revert to the starting order of the second round.
- b. Individual Final - The starting order for Round A will be the reverse order of total penalties incurred in the First and Second Individual Qualifying Classes.
  - i. In the event of equality of penalties, the result of the First Qualifying Class will be the deciding factor for the starting order. The lowest placed qualified horse/rider combination will therefore start first.

### EQUIPMENT

Running martingales used in conventional manner. No standing or German martingales, draw reins, or weighted boots; the total maximum weight of equipment allowed to be added to a horse's leg, front or hind (single or multiple boots, fetlock rings, etc), is 500 grams (shoe excluded).

### SOUNDNESS

There will be a MANDATORY HORSE INSPECTION at the Championship. The horse inspection will be held not more than 24 hours prior to the start of the First Individual Qualifying Class. The exact time and location will be included in the prize list for each Championship. A Person Responsible for the horse must be present at the horse inspection. For the purposes of these Championships the Person Responsible is defined as the rider, trainer, parent/guardian, or an authorized representative (authorization in writing is required). Each horse must be presented with a back number.

Horses not accepted at the horse inspection will have the opportunity to be re-presented once prior to the First Individual Qualifying Class. Horses not accepted after being re-presented will not be allowed to compete.

### SCHOOLING

USEF Jumper Schooling Rules will be in effect from 24 hours prior to the start of the first class of the competition and throughout the competition. Schooling must take place in designated schooling areas. There will be a mandatory check-in 24 hours prior to the start of the start of the first class restricted to riders in the Championship, including any warm-up or schooling class. Following the check-in, only the qualified rider may be mounted on his/her competition horse.

#### HORSE RESTRICTION

Horses competing in the Championships may not compete in any other class at the same competition.

#### BONUS POINTS

The following bonus points will be awarded in each of the three classes comprising each Championships, i.e. the First Individual Qualifying Class, the Team Championship/Second Individual Qualifying Class, and the Third Individual Qualifying Class:

- 3rd - 30 points
- 4th - 25 points
- 5th - 20 points
- 6th - 15 points
- 7th - 10 points
- 8th - 5 points

In the Team Championship, any ties below 3rd, the points of those tied are totaled and divided according to the number of those teams tied.

Participants competing in the USHJA Children's/Adult Amateur Jumper Regional Championships will accrue Zone bonus points for their respective placing according to the point scale included regardless of whether the event is held within their home Zone. Participants will accrue no additional Zone points for placing in this event.
