October 3-6, 2019

National Western Events Center Denver, CO

Congratulations!
Welcome to the 2019 CHJA Medal Finals!

Dear CHJA Members,

Welcome to your 2019 Medal Finals. The Colorado Hunter Jumper Association cordially invites you to join us October 3-6 at the National Western Events Center in Denver.

Medal Finals Qualifiers and Trainers will find class information and schedules on the following pages. All phases of the Medals will be individually pinned.

We encourage all members to attend this grand, end of the season tradition; and to cheer on all the Medal Finals contestants.

Please plan on joining us Friday afternoon for a pizza party in front of the Show Office. The Horsemanship Challenge Test will take place in conjunction with this pizza party. We will again have the wonderful breakfast bar at the show office on Friday, Saturday and Sunday mornings. The Medal Finals and Exhibitors Parties are held to honor you, the riders and trainers, and to thank you for all your hard work throughout the year.

We look forward to seeing all our members during the Finals. Best of luck to all the 2019 CHJA Medal finalists!

Foxcreek Horsemanship Challenge

***Do you know your horse's resting heart rate?**

***Can you correctly identify the parts of a horse?**

***Why is it important to post on the correct diagonal?**

This is just a sample of the questions you might find on the written portion of this year's Foxcreek Horsemanship Challenge. The Foxcreek Horsemanship Challenge is open to all Medal finals qualifiers who wish to participate. It is designed to test the overall horseman and covers many aspects of general horsemanship. Phase I is the written test that will be given Friday evening. Questions on the written test include topics relating to confirmation, equipment, Hunter/Jumper/Equitation rules, and general horse care. The test this year will not be level-based. This is to encourage everyone to learn more about the horse. Rather than teaching riders how to win, we are promoting a more educated, universal horseman.

The top eight scorers from Phases I will go on to Phase II. This phase consists of a "hands-on" practicum. Participants will be asked to demonstrate basic horsemanship skills on a live horse. Safe horse handling, ease with the animal, and proper technique will be emphasized.

The goal of the Foxcreek Horsemanship Challenge is to reward and encourage the overall horseman, not just the show ring star. We invite everyone to take up "the Challenge."

**The Horsemanship Challenge winner will receive a prize generously donated
by**

Foxcreek Mobile Equine Outfitters.

***The Junior receiving the highest score on the written test will receive
the Barbara Arkin Award***

MEDAL FINALS FORMAT

In order to hold a Medal Finals class there must be a minimum of three (3) properly attired competitors. The Medal Finals will be run in a three-phase format. Phase I is a jumping round counting toward 40% of each exhibitor's total score. Failure to complete Phase I does not preclude an exhibitor from competing in Phase II. Phase II is a jumping round counting toward 40% of each exhibitor's total score. Failure to complete Phase II does not preclude an exhibitor from competing in Phase III. Phase III is a flat portion which counts toward 20% of each exhibitor's total score. After the completion of Phases I, II & III, the judge will ask a minimum of the top four (4) riders, if available, to perform additional testing.
