Game Plan

This is a fun way to come and get experience showing! We want and encourage you to come and stay the day with us and watch polo and enjoy our space. You can start with lower classes and move up or you can show in one division. After 3 refusals your trainer or ground person may come into the ring and you will have 5 minutes to either work on that jump or to finish the course. We want to encourage you to come and experience a good show but make it a positive experience for both you and your horse. All riders are welcome.
