## **CURRENT COVID-19 INFORMATION (as of March 31st, 2021)**

**The following are the current requirements and procedures, as of the date above, that will be followed during the shows. This is subject to change as requirements from the CDC, State and County health officials are updated. Any changes will be available on the CEP website at [www.cepshows.com](http://www.cepshows.com) and upon your arrival.**

- Each stable attending should be diligent to make sure everyone coming is not ill and has no symptoms, brings and uses face coverings (masks) and any personal protective equipment they feel necessary and practices proper social distancing and hand washing / sanitizing procedures to stay as safe as possible.
- Every person listed on an entry blank, including the horse owner, trainer and all riders must sign a CEP / CHJA Release of Liability Form (available on the CEP website) and submit this form as per the instructions on it. No numbers will be released from the horse show office, meaning that horse may not compete, until everyone on an entry blank has properly done so.
- All trainers are responsible for every person in their barn, including riders, owners, staff, grooms, family members and friends. Each barn should take the temperature of each member within their barn every day upon arrival. As per the CDC, people are considered to have a fever if their temperature is 100.4 degrees or higher. Any person that scans a temperature of 100.4 degrees or higher must immediately leave the grounds and horse show management must be notified.
- Each stable is considered a "family" and will be provided stabling in blocks of stalls. This makes it critical that trainers submit a Trainer Stabling Request in a timely manner that includes the total number of stalls needed to make sure everyone in your barn is stabled together..
- ALL ENTRIES MUST BE MAILED IN OR DONE ONLINE - NO EXCEPTIONS ... mailed entries must be postmarked by Monday, July 5th and received within seven (7) days and electronic entries must be submitted by Monday, July 5th. After July 5th, all late entries must be submitted electronically, no exceptions! If you walk into the horse show office with a new entry, it will be refused! If you wait to submit an entry until the start of the show, it must be done electronically and must be submitted no later than 5:00pm the day before the horse will start showing. No same day new entries will be accepted for any reason.
- Each stable should designate a representative to handle all accounts with the show secretary and make every effort to only have this representative conducting business in the office. It is recommended that the trainer assume this role. If that person is not available to go to the office when needed, another individual may take their place, but the idea is to have as few different people as possible going into the office. No minors are allowed in the office under any circumstances.
- Management will limit the number of people in the horse show office to two people at a time. Those waiting outside must practice proper social distancing from others that may be waiting as well.
- Management mandates that only essential people accompany horses to the warm-up area and the back gate ... this could include the trainer, a groom and one family member if the rider is a junior. All others should go directly from the barn to the show ring to watch their family member or barn mate compete while practicing social distancing.
- Proper social distancing, both among people and horses, in the stabling areas, warm-up rings, back gates and seating / viewing areas must be exercised at all times ... horse show staff have full authority to ask groups to disperse if necessary.
- Take a picture of your course and watch some trips before you school to reduce traffic and time spent at the gate.
- Complimentary water bottles will be available at certain locations. You should plan to bring your own water as water cups and dispensers will not be available at the back gates.
- All horse show staff, competitors and attendees MUST wear face coverings / masks at all times while on the grounds. They are optional while mounted and will not be penalized by judges if worn in the show ring. If you are unable to wear a mask for any medical or religious reasons, then you must wear a face shield. There is no option for not wearing any facial covering at all ... those who consistently can't or don't wear any face covering will be asked to leave the grounds.
- If the show or classes are canceled for any reason, refunds will not be given for classes already held and for occupied stalls and RV spaces.

Updates, changes and additions to this list and further information will be published on the CEP and CHJA websites as they become available from the CDC, State and County health officials. Please check it often. Trainers must review the latest procedures and precautions related to CEP's Covid-19 Plan with their clients prior to arrival to the show, are responsible for their clients actions during the show and must understand that repeated issues may result in their clients being excused from the show and removed from the grounds. ## Welcome To The 2021 CHJA Copper Penny Horse Shows

It is with great pride that we welcome you to the 2021 CHJA Copper Penny Horse Shows in the beautiful town of Estes Park, Colorado. We are offering two weeks of shows again this year, with special classes interspersed throughout each and great incentives to show both weeks. Each show is four days long (except for the special CHJA Copper Penny Hunter Classics and Jumper Derbies on the Sunday of the second week ... free entries for those that show in the eligible qualifying classes both weeks!). We are limiting entries to just over 200 horses each week in order to keep the schedule from going too long, giving you time to spend with family and friends in town and the surrounding rocky mountains.

Those showing both weeks can take advantage of some great incentives ... you can receive your second week stall for half-price (a \$125 savings) and be eligible for the free entry fees on Week 2 Sunday Hunter Classics and Jumper Derbies.

### SIMPLE AND EASY TO ENTER IN ADVANCE - HERE'S ALL YOU NEED TO KNOW

You only need to send in a completed entry blank and the \$100 Registration Fee per show. If mailing in your entries, you may enclose a check (payable to CHJA for \$100) or complete the credit card section on the entry blank. This must be postmarked by the entry closing date (Monday, July 5th). If entering electronically by email, complete the credit card section on the entry blank and submit it by the entry closing date (Monday, July 5th). If entering using one of the online entry services (horseshowing.com or equestrianconnect.com), you'll need to submit credit card information directly on that website while completing your entry. There may be a nominal fee charged by the online entry services payable to them. All entries received properly and with proper payment will qualify for the \$50 Good Entry Discount. All other horse show fees will be placed on your account and can be paid for when closing out at the end of the show. Please do not send in a signed, open check. See the Entry Procedures page for more information.

### IMPORTANT COVID-19 INFORMATION

Due to the Covid-19 Pandemic, CEP will be publishing a Covid-19 Action Plan for these shows based upon recommendations and requirements from the CDC, State of Colorado Department of Health and Larimer County Department Of Health and Environment. You will see a current list of requirements in this prize list, but as the pandemic is fluid and always changing, the list of requirements may also change. Be sure to check the CEP website at [www.cepshows.com](http://www.cepshows.com) for updates and understand that it could change drastically depending upon the situation as we get closer to the shows.

### FORMAT FOR CHJA / USHJA MEMBER BENEFITS CLINIC

Due to the popularity of the clinic format last year, CHJA will continue the same format for this year. It will again allow more people to participate and get a unique education from two clinicians. The clinic will be held on Monday, July 26th and start at 8:30am and go until 5:00pm, with participants learning about the ins and outs of understanding how to negotiate courses, followed by a session on hunter and equitation judging, both over fences and on the flat. After lunch, attendees will get to judge several classes with demonstration riders, complete with comparison and discussion of the results. The day ends with a Q&A session. See the ad in this prize list for more details.

### TRAINERS ... STALLS, HORSE COUNTS AND TRAINER ACCOUNTS

Trainers are requested to submit final stall counts (horse and tack stalls for each week) not later than Monday, July 5th by completing a Trainer Stabling Request Form (found on the CEP website at [www.cepshows.com](http://www.cepshows.com)) and emailing it to CEP at [entries@cepshows.com](mailto:entries@cepshows.com). If you do not submit this form by this date, then your stall count and barn assignment will be based solely upon your entries received. If we receive your request after this date, it will be accommodated only if available stalls permit. Also, please do not send in signed, open checks for your trainer account. We'll set-up your trainer account and reserve your tack stalls as you request, then you can bring a check or credit card to the office upon your arrival at the show ... we trust you! What we don't trust is a signed, open check floating around the country in the mail!

Thanks for considering the CHJA Copper Penny Horse Shows in Estes Park, Colorado. We hope you'll choose to spend a couple of weeks with us in this beautiful town high in the Rocky Mountains where the weather is cool, there are always things to do and the elk stop by every morning just to say "hi". Let us show you some great hospitality and awesome customer service ... hope to see you there!

### SPECIAL CLASSES

*Deadline for entries into these Special Classes is 5:00pm the day before the class is scheduled to be held. ## Colorado Hunter Jumper Association & USHJA Zone 8 Committee

proudly presents a

## CHJA / USHJA Zone 8 Member Benefits Clinic With Chris Collman & Leslie Stohlgren

The day will begin with all attendees joining USEF Large "R" Hunter and Jumper Course Designer Chris Collman to learn the simple basics of how to ride a hunter course and the technical aspects of how to ride an equitation course ... how to walk a course, how to look for the questions and tests that the course designer had in mind and the best ways to ride certain lines, jumps and turns. This is not meant to teach you how to become a course designer, but rather to give you an opportunity to get inside the mind of a course designer to better help you understand and ride your courses better.

Then our judge from Copper Penny I, Leslie Stohlgren, begins with a classroom session on judging hunters, equitation over fences, hunter under saddle and equitation on the flat classes. Learn the ins and outs of what judges look for, what they give credit for and what they deduct points for. Learn what to do and what not to do. Learn what drives a judge crazy and what makes them smile and appreciate you. Then after lunch, you'll pick up a clipboard and judge's cards, and you'll sit together and judge multiple hunter and equitation rounds, as well as two flat classes, designed for horses and riders in 2'0", 2'6" and 3'0" sessions. You can compare notes and see how you did next to one of the top hunter judges in the country. If you wish to participate as a demonstration rider, you may do so as well. You can plan to attend the clinic for the day and just break away in time to get your horse, warm-up and "show" in front of the others. Or, you can just attend the clinic all day and let others do the riding.

*Clinic takes place 8:30am to 5:00pm on Monday, July 26th at the Estes Park Events Complex in Estes Park, CO*

## 2021 COPPER PENNY HORSE SHOWS \*\* RULES & REGULATIONS

All classes offered will be conducted in accordance with the CHJA Bylaws, Rules & Specifications, except as superseded by rule changes published in the CHJA Newsletter or on the CHJA website.

### ENTRY PROCEDURES

One horse per entry blank. Entries must be postmarked by Monday, July 5th and received within seven (7) days of the postmark. Electronic entries close Monday, July 5th and must be submitted on or before this date. For each horse entered, you'll need to pay a \$100 Registration Fee per show.

If you postal mail your entry, you may include a check for \$100 payable to "CHJA", which will be deposited on the entry closing date. Or you may complete the Credit Card section on the entry blank and your credit card will be charged the Registration Fee, plus a 3% Convenience Fee, on the entry closing date. Once charged, the Convenience Fee is not refundable or creditable under any circumstances. Do not mail in a signed, open check. If you do, it will be kept on file for closeout at the end of the show, but since it cannot be deposited, it is considered an incomplete entry and you will not qualify for the Early Entry Discount. The show is not responsible for any lost or misdirected mail.

If you enter via email, fill out the entry blank, including the credit card information, scan or save it as a PDF file, and email it to [entries@cepshows.com](mailto:entries@cepshows.com). Emailed entries MUST include credit card information to pay for the Registration Fee ... please do not email an entry without credit card information, then mail a separate check later. Your credit card will be run for the Registration Fee, plus a 3% Convenience Fee, on the entry closing date. Once charged, the Convenience Fee is not refundable or creditable under any circumstances.

If you enter via [horseshowing.com](http://horseshowing.com), complete the entry online, including your credit card information, and submit. Your credit card will be charged the Registration Fee, plus a 3% Convenience Fee, immediately upon submitting it. Once charged, the Convenience Fee is not refundable or creditable under any circumstances.

If you enter via [equestrianconnect.com](http://equestrianconnect.com), complete the entry online, including your credit card information, and submit. Your credit card will be charged the Registration Fee, plus a 3% Convenience Fee, on the entry closing date. Once charged, the Convenience Fee is not refundable or creditable under any circumstances.

Exhibitors may pick up their numbers in the office by providing a form of payment to guarantee their account. If you entered by providing credit card information on your entry blank or you entered via [Horseshowing.com](http://Horseshowing.com) or [Equestrian Connect](http://Equestrian Connect), the office will have your credit card info on file and you will not have to complete this step. If you entered by sending in a check, you will need to come to the office and present an open check or credit card to be placed on file for the remainder of your show fees.

Trainers may pick up their client's numbers in the office whether their client's accounts have a form of payment or not. Trainers are financially responsible for all of their client's accounts should a form of payment not be provided by the client at the end of the show.

Entries received by the closing date and adhering to the entry procedure outlined above will be considered complete and accepted, and will receive the \$50 Early Entry Discount. Late entries or entries not accompanied with a negotiable form of payment will not qualify for the \$50 Early Entry Discount. **IMPORTANT:** do not mail any entries after Monday, July 5th. If you do, your entry may be on its way to Arizona while we are on our way to Colorado, and we won't receive it. Mail entries to:

CEP  
29455 N. Cave Creek Road, Suite 118-430  
Cave Creek, AZ 85331

### CONDITION OF ENTRY

The Horse Show Management reserves the right to itself to interpret all questions and conditions in regard to or arising out of an incident to the show without claims for damages or recourse of any kind. Questions not covered in these Rules and Regulations shall be decided by Horse Show Management, their decision to be final. Horse Show Management reserves the right to limit entries, refuse, accept conditionally, or to cancel entries, disqualify any riders or exhibitors, prohibit exhibition of entries, and cancel award prizes, without claim for damages; to change any course, to add a dotted line, to cancel or combine any classes, to reschedule classes, after due notice to exhibitors; to change rings or judges; to change specifications in classes, or make any changes management deems in the best interests of the show.

Every horse entered for competition will be under the control of the Horse Show Management, but Management will, in no case, be responsible for any loss or damage that may occur, and it shall be a condition of entry that each exhibitor shall hold the show, CHJA, CEP, its members, directors and employees, the Town of Estes Park and the Estes Park Events Complex harmless for any loss or accident to horse, horses or equipment which may occur from sickness, fire or otherwise.

**SHOW SCRATCH (a horse entered but scratched from the entire show prior to going in any classes) -** 1) on or before the closing date of entries, all fees shall be refunded; 2) after the closing date of entries but prior to arrival on the grounds, the \$100 Registration Fee is not refundable and is forfeited as a Show Scratch Fee; 3) after arrival on the grounds but prior to showing in any classes, the stall fee and \$100 Registration Fee is not refundable and is forfeited as a Show Scratch Fee. If the entry qualified for the Good Entry Discount, then the discount of \$50 will be refunded. All show scratches must be submitted in writing before the end of the show. No show scratch refund requests will be processed after the show is over.

**ADDING REGULAR CLASSES:** If you wish to add a regular class after initially checking in and picking up your number, you must do so by 5pm the day before the class is to be held and you must add it on an Add / Scratch Form or Trainer Sheet. Adds after 5pm or same day adds will only be allowed if the schedule in that ring is not full. Same day adds MUST be done on an Add / Scratch Form, NOT a Trainer Sheet, and MUST be given to the starter BEFORE the start of the class that was added. In any case, there is no charge to add a regular class.

**SCRATCHING REGULAR CLASSES:** If you do not intend to show in a regular class you have entered, you MUST scratch it on an Add / Scratch Form or Trainer Form in the horse show office before the class begins. There will be no charge for this. Scratches may not be done after a class has started. Telling the starter at the back gate that you are not going or simply not showing up will result in forfeiture of the entry fee. **STARTERS DO NOT HAVE THE AUTHORITY TO SCRATCH YOU FROM A CLASS.**

**STALLS / HAUL-IN FEE** - Stalls are \$200 for Copper Penny I and \$250 for Copper Penny II. Day Stalls and Pro-Rated stalls are not available. Haul-ins (no stall) must pay a \$50 weekly fee. All horses must pay either a Stall Fee or Haul-In Fee. Group stabling is available by visiting the CEP website at [www.cepshows.com](http://www.cepshows.com), downloading a Block Stabling Request and submitting it.

**TRAINER SPLITS** - As a courtesy, the show will split a trainer's account amongst all of the clients. Trainer Split forms must be completed by noon on each Friday. If any of the trainer's clients have already checked out by that time, the split will not include them.

## 2021 COPPER PENNY HORSE SHOWS \*\* RULES & REGULATIONS

Martingales are prohibited in all under saddle and pleasure classes. All other questions regarding tack and equipment shall be at the sole discretion of the judge and/or show management, their decision to be final.

Orders placed after noon will be delivered the following day. Exception: no orders can be placed after noon on Saturday or anytime on Sunday, as the off-site retailer will be closed. For Pre-Orders, visit the CEP website at [www.cepshows.com](http://www.cepshows.com) and download the Feed & Bedding Form. SHAVINGS MUST BE PURCHASED FROM THE ON-SITE FEED RETAILER AT THE SHOW. OUTSIDE SHAVINGS MAY NOT BE BROUGHT ONTO THE GROUNDS OR DELIVERED TO YOUR STALLS.

Classes with less than the required minimums will be combined, if possible, or canceled, if necessary. No classes will be divided or split with less than 20 entries that actually compete.

**GOLF CARTS** - Golf-N-Fun Cars is the official golf cart concessionaire of the Estes Park Horse Shows. It is recommended that golf carts be reserved and paid for in advance by calling them at 970-218-5516. No carts will be available on the grounds for rental. All golf cart rentals must be arranged for in advance.

**ACCOMMODATIONS** - Due to the heavy influx of tourists, make your room reservations early. You may also contact the Estes Park Visitor's Center at 800-443-7837 or visit their website at [www.visitestepark.com](http://www.visitestepark.com).

**MEDICAL COVERAGE FEE** - A \$25 Medic Fee will be charged to every horse each week to help offset the cost of on-site medical coverage.

**IMPORTANT - DO NOT SEND ENTRIES IN THE MAIL AFTER MONDAY, JULY 5th. IF YOU WISH TO ENTER THESE SHOWS AFTER THAT DATE, YOU MUST SUBMIT YOUR ENTRIES VIA EMAIL OR ONLINE. WE DON'T WANT YOUR ENTRIES GOING TO ARIZONA IN THE MAIL WHILE WE ARE HEADING TO COLORADO FOR THE SHOWS. WE NO LONGER ACCEPT FAX ENTRIES.**

### POLICY REGARDING NON-SHOWING HORSES

Non-showing horses that need a stall are permitted if stalls are not sold out, and must pay the full weekly stall fee for such. Email CEP 3-5 days prior to each show to verify availability. Non-showing horses not requiring a stall may haul-in at anytime. The following is the policy regarding non-showing horses:

- ⇒ Owners that have actively showing horses will be allowed to bring one non-showing horse at no additional charge ... additional horses are \$100 each
- ⇒ Owners that do not have a horse actively competing may bring non-showing horses and must pay a \$100 Non-Showing Horse Fee
- ⇒ Trainers are permitted to bring up to two non-showing horses at no additional charge as long as such horses are owned by the trainer ... be prepared to prove ownership if requested as horses owned by clients or horses that are being "agented" are not eligible

A form with proper signatures must be filled out for each non-showing horse on the grounds. Please stop by the horse show office upon arrival to complete paperwork and pay the requisite fees.

### **Ring Scheduling, Same Day Adds & Cancellation / Combining of Classes**

At 5:00pm every day, including warm-up / check-in day, the office stops accepting entries for the next day. After all entries are input into the computer, a schedule including class counts and class start / finish times is created for the next show day and will be available outside the office and online at the [cepshows.com](http://cepshows.com) website by 6:00pm. This schedule shows each ring, how many entries are in each class, and what time each class, or group of classes, is scheduled to start. Remember, these times are approximate, and may vary slightly, but are designed to give you a general idea of when your classes will go. This way, you don't have to show up at 7:00am and just sit around until 11:00am for your class! Go have breakfast, get in a round of golf or catch the sunrise as it comes over the mountains.

Adding regular classes after 5:00pm for the next day, or adding regular classes the same day they are being held, is allowed as long as the schedule is not full in a particular ring. If the following day's schedule in a ring is full at 5:00pm the day before, then that ring is declared "closed" and will not allow same day adds. Trainers and exhibitors are urged to stop by the office before 5:00pm each day to verify their entries for the next day. This way, adds can be made before the 5:00pm deadline, and you are assured of getting into your classes.

At 5:00pm each day, when the final numbers are compiled and the schedule for the next day is created, management will make decisions about classes with less than the entry minimums. These classes are either canceled or combined with other classes, if possible. The class sheets are printed and judge's cards finalized. This next sentence is very important ... any classes canceled or combined WILL NOT BE UNCANCELED OR UNCOMBINED, regardless of how many entries actually show or wish to show in them. This is a firm policy and the only way to maintain reasonable control over a schedule that, if allowed to change in that manner, could push things back by hours. So be sure you are entered in all your desired classes by 5:00pm the day before. If the schedule fills up and the ring is declared 'closed', you won't be able to add into it.
