All horses must be checked for proper paperwork upon arrival and prior to being allowed entrance to the property. Any horses not having proper paperwork will not be allowed on the Colorado Horse Park property. Any changes to the biosecurity protocol will be communicated on GoldCrestShows.com under 'news and updates', or on the Gold Crest Shows facebook page.

Hours for arrival to The Colorado Horse Park:

Friday Noon-5:00

Saturday 6:00AM – 2:00PM

Sunday 6:00AM – 2:00 PM

For biosecurity precheck, please email paperwork to horsehealth@langershow.com Please bring hard copies with you.

**HORSES THAT HAVE BEEN IN A VS STATE WITHIN THE PAST 14 DAYS
MUST CONTACT MANAGEMENT PRIOR TO ARRIVAL!**

Upon Arrival:

- We require all barns to check the temperature of all horses once they arrive at CHP, prior to entering the barn. If a horse has a temperature of 101.5 or higher, CHP management **must be contacted immediately**, and the horse placed in an isolation stall on-site to allow for time to recheck temperature prior to entering the show barn.
- CHP will require all barns on CHP show grounds to maintain a temperature log with twice-daily temperatures recorded and the log must be posted on each horse's stall door. Random checks of temperature logs by the Barn Manager and Stewarding staff will take place.
- Any horse on the show grounds with a fever must be reported to CHP Management immediately. It is always better to err on the side of safety. Isolation stalls will either be available on the grounds and/or at a local veterinary practice if the need arises.

It is our shared responsibility to keep our horses safe. Similar to the suggested protocols in place for humans due to COVID- 19, we urge all equestrians to please remember and abide by additional biosecurity measures.

Additional Recommendations:

- Avoid mixing of horses where possible, practice equine 'social distancing'
 - Please take the time to review equine good hygiene practices and impress its importance to your grooms and barn managers in everyday care.
 - Bring your own hoses to barns and do not share water buckets or fill from hoses used by other horses. Communal hoses will NOT be provided in the barns during this time. Please bring your own.
 - Every effort should be made to minimize stress and commingling of horses shipped long distances. Extra hours on a horse van or moving from stable to stable is the fastest way to compromise your horses' and your neighbor's horses' health.
- Any human COVID procedures in place at the time of the show will be enforced. (USEF, State, Federal and local)
