Winners will have the option to take prize money off their show fees, receive a check from Gold Crest, or add back their winnings to the The Colorado Hunter Jumper Foundation.

In this competition, each obstacle carries a value from 10 points to 120 points depending upon difficulty. Obstacles will be built so that they may be jumped in both directions. After the starting tone, the competitor must cross the start line in either direction to start their time. They must then jump the obstacles, in either direction, a maximum of three times each, with the goal being to accumulate the highest point total. Disobediences are not penalized except for time taken. If an obstacle is knocked down, no points will be awarded. If an obstacle is jumped after being knocked down, no points will be awarded. If an obstacle is jumped a fourth time, no points will be awarded. When the 60 seconds has expired, a tone will sound and the competitor must cross the finish line to stop their time. At the conclusion of the round, and after their score has been announced, a tone will sound again and the competitor will have 30 seconds to attempt the Joker Jump. If jumped successfully, an additional 200 points will be added to their score. If a disobedience or knockdown occurs on the first attempt, 200 points will be deducted from their score. Only one attempt is allowed. The winner will be the competitor who has the highest point total in the fastest time. Fences 2'3" to 3'6" (Joker jump may be higher). Open to all horses and ponies. Entries must have competed in at least one other class at this show. Prize money divided to the top 6: \$150, \$110, \$75, \$65, \$60, \$50. Ribbons through 8th place.
