BIOSECURITY AT THE COLORADO HORSE PARK

THIS MAY CHANGE AS WE GET NEARER TO THE SHOW

Bio Security at the Colorado Horse Park

Required:

1. **A current negative Coggins test required for all horses entering the facility.**
2. **Statement of Health/Veterinary Health Certificate signed by a licensed veterinarian within 30 days of arrival at CHP, documenting that the horse has:**
 - A. **Received regular and consistent vaccination against Equine Influenza and EHV 1 & 4 with the most recent booster being within 180 days. Written statements from Vet explaining the reasons for being bolstered within 180 days MAY be accepted. IN NO CASES MAY THE BOOSTER BE OUTSIDE OF 180 DAYS. Horses not in compliance with this rule will be denied entry to the competition grounds upon request by Management.**
 - B. **Not shown symptoms of or been treated for EHV-4/1 within the past 28 days.**
 - C. **Not been at a facility under quarantine for EHV-4/1 or exposed to any horse showing symptoms of EHV-4/1 within the past 28 days.**
3. **Current Vaccination against WNV, EEE, WEE, Tetanus. Rabies vaccines are strongly recommended.**
4. **The following statement must be included on the Health Certificate. "I have examined the animal(s) on this certificate of veterinary inspection and have found no clinical signs of vesicular stomatitis and they have not originated from a premises under quarantine for vesicular stomatitis.**

Vaccination record

All documents must be in the horse's show name.

Horses must enter off Bayou Gulch Road. No entrance through the S. Pinery Dr. Gate. No horse may be unloaded until documents are checked. No stall assignments will be given in advance.

Entry Hours: Friday noon -6pm; Saturday and Sunday 6:00am-2:00pm. Other hours by Appointment-call Carole at 303-910-9410 to arrange.

Pre-Check Please bring hard copies with you.

In response to the recent EHV-1 outbreak in California and similar cases reported in other states, the Colorado Horse Park (CHP) is increasing biosecurity protocols to help keep your horses safe, as well as those of your fellow competitors.

Upon Arrival:

- We require all barns to check the temperature of all horses once they arrive at CHP, prior to entering the barn. If a horse has a temperature of 101.5 or higher, management **must be contacted immediately**, and the horse placed in an isolation stall on-site to allow for time to recheck temperature prior to entering the show barn.
- Any horse on the show grounds with a fever must be reported to Management immediately. It is always better to err on the side of safety. Isolation stalls will either be available on the grounds and/or at a local veterinary practice if the need arises.

It is our shared responsibility to keep our horses safe. Similar to the suggested protocols in place for humans due to COVID-19, we urge all equestrians to please remember and abide by additional biosecurity measures.

Additional Recommendations:

- Avoid mixing of horses where possible, practice equine 'social distancing'
 - Please take the time to review equine good hygiene practices and impress its importance to your grooms and barn managers in everyday care.
 - Bring your own hoses to barns and do not share water buckets or fill from hoses used by other horses. Communal hoses will NOT be provided in the barns during this time. Please bring your own.
 - Every effort should be made to minimize stress and commingling of horses shipped long distances. Extra hours on a horse van or moving from stable to stable is the fastest way to compromise your horses' and your neighbor's horses' health.
- Any human COVID procedures in place at the time of the show will be enforced. (USEF, State, Federal and local)
