Fun Classes

Saturday

Steady Eddy Cup of Water - Over Fences

All riders begin with One Cup (8 oz) of water in a cup and ride a five-fence course at the same height they jump in their division for the day. The rider with the most water at the end of the day wins. Offered at various heights. All heights judged together.

Sunday

Gamblers Choice

Class to be run at various fence heights and be pinned as one class. Open to riders competing at same height in at least one other class in same show. Each fence on course is assigned a point value. Rider can jump the jumps in any order they want to accumulate as many points as possible in the time allowed of 60 seconds. Refusals do not take away points. Riders may only jump each fence twice. If a jump is knocked down, the points do not count and the rider may not jump it again. Time begins and ends when the rider crosses the timers. After the 60 second round, the rider has the option to jump the "Gambler's" fence. This is the highest jump on the course and worth the most points. If the rider clears it, the points will be added to the total. If it is knocked down, the points are subtracted from the rider's total. The rider with the most points in all Gamblers Choice rounds wins.

Sit a Buck Bareback Dollar

Open to all riders. Winner takes all dollars home.
