## **CURRENT IMPORTANT COVID-19 INFORMATION (as of May 15th, 2020)**

The following are some of the current requirements and procedures, as of today, that will be followed during the shows. **This is subject to change** as requirements from the CDC, State and County health officials are updated. These updates will be available on the CEP website at [www.cepshows.com](http://www.cepshows.com) and upon your arrival.

- Each stable attending should be diligent to make sure everyone coming is not ill and has no symptoms, brings and uses the proper personal protective equipment they feel necessary and practices proper social distancing and hand washing / sanitizing procedures to stay as safe as possible.
- All trainers are responsible for every person in their barn, including riders, owners, staff, grooms, family members and friends and must take their temperature using a non-contact infrared thermometer each day upon arrival and keep a written record of each person's name, arrival time and temperature. A form that you can use will be available on the CEP website soon. This record must be presented to the horse show office at the end of each week on Sunday afternoon ... you may retain a copy if you wish. As per the CDC, people are considered to have a fever if their temperature is 100.4 degrees or higher. Any person that scans a temperature of 100.4 degrees or higher must immediately leave the grounds and contact their doctor for further treatment. If anyone has a fever of 100.4 degrees or higher, the trainer must immediately notify the horse show.
- Each stable is considered a family and will be provided stabling in blocks of stalls. This makes it critical that trainers submit a Block Stabling Request in a timely manner listing everyone in their barn to be stabled together.
- ALL ENTRIES MUST BE MAILED IN OR DONE ONLINE - NO EXCEPTIONS ... you may not walk into the horse show office and fill out an entry blank ... mailed entries must be postmarked by Monday, June 29th and received within seven (7) days. After June 29th, you must submit entries electronically, no exceptions!
- Each stable should designate a representative to handle all accounts with the show secretary and make every effort to only have this representative conducting business in the office. If that one person is not available to go to the office when needed, then another individual may take their place, but the idea is to have as few different people as possible going into the office.
- Management reserves the right to limit the number of persons in the horse show office at any given time ... such limitations will be posted on the door and those waiting outside to conduct business must do so by practicing proper social distancing from others that may be waiting as well.
- Management mandates that only essential people accompany horses to the warm-up area and the back gate ... this could include the trainer, a groom and one family member. All others should go directly from the barn to the show ring to watch their family member or barn mate compete while practicing social distancing.
- Proper social distancing, both among people and horses, in the stabling areas, warm-up rings, back gates and seating / viewing areas must be exercised at all times ... horse show staff have full authority to ask groups to disperse if necessary.
- Take a picture of your course and watch some trips before you school to reduce traffic and time spent at the gate and course board.
- Be sure to bring your own water as water cups and dispensers will not be available at the back gates.
- All horse show staff will be wearing masks and all competitors are encouraged to do so as well. Masks are optional while mounted and will not be penalized by judges if worn in the show ring. Please keep in mind that the wearing of masks by competitors may become mandatory if so declared by the CDC, State or County health officials, so everyone is encouraged to bring them just in case.

**Updates, changes and additions to this list and further information will be published on the CEP website as it becomes available from the CDC, State and County health officials. Please check it often. Trainers must review the latest procedures and precautions related to CEP's Covid-19 Plan with their clients prior to arrival to the show, are responsible for their clients actions during the show and must understand that repeated issues may result in their clients being excused from the show and removed from the grounds. ## Welcome To The 2020 CHJA Copper Penny Horse Shows

It is with great pride that we welcome you to the 2020 CHJA Copper Penny Horse Shows in the beautiful town of Estes Park, Colorado. We are offering two weeks of shows again this year, with special classes interspersed throughout each and great incentives to show both weeks. Each show is four days long (except for the special CHJA Copper Penny Hunter Classics and Jumper Derbies on the Sunday of the second week ... free entries for those that show in the eligible qualifying classes both weeks!). We are limiting entries to 200 horses each week in order to keep the schedule from going too long, giving you time to spend with family and friends in town and the surrounding rocky mountains.

Those wishing to stay and show both weeks can take advantage of some great incentives ... you can receive your second week stall for half-price (a \$125 savings), be eligible for the free entry fees on Week 2 Sunday Hunter Classics and Jumper Derbies and be eligible for the Series High-Point Awards, giving away great prizes to the high-point horses and riders in many of the sections held over the two weeks.

### SIMPLE AND EASY TO ENTER IN ADVANCE - HERE'S ALL YOU NEED TO KNOW

You only need to send in a completed entry blank and the \$100 Registration Fee per show. If mailing in your entries, you may enclose a check (payable to Estes Park Horse Shows for \$100) or complete the credit card section on the entry blank. This must be postmarked by the mailing entry closing date (Monday, June 29th). If entering electronically (email or fax), you must complete the credit card section on the entry blank and it must be submitted by the electronic entry closing date (Monday, July 6th). If entering using one of the online entry services, you'll need to submit credit card information directly on those websites. All entries received properly and with proper payment will qualify for the \$50 Good Entry Discount. All other horse show fees will be placed on your account and can be paid for when closing out at the end of the show. Please do not send in a signed, open check. If you do, the check will be kept on file for the show, which means you won't qualify for the \$50 Good Entry Discount. Be sure to see the Entry Procedures page in this prize list for more information.

### IMPORTANT COVID-19 INFORMATION

Due to the Covid-19 Pandemic, CEP will be publishing a Covid-19 Action Plan for these shows based upon recommendations and requirements from the CDC, State of Colorado Department of Health and Larimer County Department Of Health and Environment. You will see a current list of requirements in this prize list, but as the pandemic is fluid and always changing, the list of requirements may also change. Be sure to check the CEP website at [www.cepshows.com](http://www.cepshows.com) for updates and understand that it could change drastically depending upon the situation as we get closer to the shows.

### NEW FORMAT FOR CHJA / USHJA MEMBER BENEFITS CLINIC

After many years of hosting a limited, mounted riding clinic, this year's clinic is changing its format to allow more people to participate and get a unique education from two clinicians. The clinic will start at 8:30am and go until 5:00pm, with participants learning about the ins and outs of basic hunter and equitation course design, followed by a session on hunter and equitation judging, both over fences and on the flat. After lunch, attendees will get to judge several classes with demonstration riders, complete with comparison and discussion of the results. The day ends with a Q&A session. See the ad in this prize list for more details.

### TRAINERS ... STALLS, HORSE COUNTS AND TRAINER ACCOUNTS

Trainers are requested to submit final stall counts (horse and tack stalls for each week) not later than Monday, July 6th by completing a Block Stabling Request Form (found on the CEP website at [www.cepshows.com](http://www.cepshows.com)) and emailing or faxing it ([entries@cepshows.com](mailto:entries@cepshows.com) or fax 602-428-6804). If you do not submit this form by this date, then your stall count and barn assignment will be based solely upon your entries received. Also, please do not send in signed, open checks for your trainer account. We'll set-up your trainer account and reserve your tack stalls as you request, then you can bring a check or credit card to the office upon your arrival at the show ... we trust you! What we don't trust is a signed, open check floating around the country in the mail!

Thanks for considering the Copper Penny Horse Shows. We hope you'll choose to spend a couple of weeks with us in this beautiful town high in the Rocky Mountains where the weather is cool, there are always things to do and the elk stop by every morning just to say "hi". Let us show you some great hospitality and awesome customer service ... hope to see you there!

**Colorado Hunter Jumper Association  
& USHJA Zone 8 Committee  
proudly presents a**

**CHJA / USHJA Zone 8 Member Benefits Clinic With  
Chris Collman & TBA**

Please join us this year for a clinic with a completely new format. The day will begin with all attendees joining USEF Large "R" Hunter and Jumper Course Designer Chris Collman to learn the simple basics of how to ride a hunter course and the technical aspects of how to ride an equitation course ... how to walk a course, how to look for the questions and tests that the course designer had in mind and the best ways to ride certain lines, jumps and turns. This is not meant to teach you how to become a course designer, but rather to give you a rare opportunity to get inside the mind of a course designer to help you understand and ride your courses better.

Then our judge from Copper Penny I takes over and begins with a classroom session on judging hunters, equitation over fences, hunter under saddle and equitation on the flat classes. Learn the ins and outs of what judges look for, what they give credit for and what they deduct points for. Learn what to do and what not to do. Learn what drives a judge crazy and what makes them smile and appreciate you. Then after lunch, you'll pick up a clipboard and judge's cards, and you'll sit together and judge multiple hunter and equitation rounds, as well as two flat classes, designed for horses and riders in 2'0", 2'6" and 3'0" sessions. You can compare notes and see how you did next to one of the top hunter judges in the country. If you wish to participate as a demonstration rider, you may do so as well. You can plan to attend the clinic for the day and just break away in time to get your horse, warm-up and "show" in front of the others. Or, you can just attend the clinic all day and let others do the riding.

*Clinic takes place 8:30am to 5:00pm on Monday, July 20th at the Estes Park Events Complex in Estes Park, CO*

### **POLICY REGARDING NON-SHOWING HORSES**

Non-showing horses are permitted. If a stall is needed, contact CEP 3-5 days prior to each show to verify availability. NON-SHOWING HORSES STABLING MUST PAY FOR A STALL AND WILL ONLY BE ALLOWED TO RENT STALLS IF THEY ARE NOT SOLD OUT. The following is the policy regarding non-showing horses:

- ⇒ Owners that have actively showing horses will be allowed to bring one non-showing horse at no charge ... additional horses are \$100 each
- ⇒ Owners that do not have a horse actively competing may bring non-showing horses and pay a \$100 Non-Showing Horse Fee
- ⇒ Trainers are permitted to bring up to two non-showing horses at no charge as long as such horses are owned by the trainer

A form with proper signatures must be filled out for each non-showing horse on the grounds. Please stop by the horse show office upon arrival, PRIOR to unloading your non-showing horse, to complete paperwork and pay the requisite fees.

### **Ring Scheduling, Same Day Adds & Cancellation / Combining of Classes**

At 5:00pm every day, including warm-up / check-in day, the office stops accepting entries and all class entries for the next day are input into the computer and a schedule, including horse counts and class start / finish times, is created. This will be the official schedule, with counts and times, that will be available at the office and on the website by 6:00pm every day. This schedule shows each ring, how many entries are in each class, and what time each class, or group of classes, is scheduled to start. Remember, these times are approximate, and may vary slightly, but are designed to give you a general idea of when your classes will go. This way, you don't have to show up at 7:00am and just sit around until 11:00am for your class! Go have breakfast, get in a round of golf or catch the sunrise as it comes over the mountains.

Adding regular classes after 5:00pm for the next day, or adding regular classes the same day they are being held, is allowed as long as the schedule is not full in a particular ring. If the following day's schedule in a ring is full at 5:00pm the day before, then that ring is declared "closed" and will not allow same day adds. Trainers and exhibitors are urged to stop by the office before 5:00pm each day to verify their entries for the next day. This way, adds can be made before the 5:00pm deadline, and you are insured of getting into your classes.

At 5:00pm each day, when the final numbers are compiled and the schedule for the next day is created, management will make decisions about classes with less than the entry minimums. These classes are either canceled or combined with other classes, if possible. The class sheets are printed and judge's cards finalized. This next sentence is very important ... any classes canceled or combined WILL NOT BE UNCANCELED OR UNCOMBINED, regardless of how many entries actually show or wish to show in them. This is a firm policy and the only way to maintain reasonable control over a schedule that, if allowed to change in that manner, could push things back by hours. So be sure you are entered in all your desired classes by 5:00pm the day before. If the schedule fills up and the ring is declared 'closed', you won't be able to add into it.

# COLORADO HUNTER JUMPER ASSOCIATION

## CHJA Mission

The Colorado Hunter Jumper Association, as the official hunter/jumper Affiliate of United States Equestrian Federation and the United States Hunter Jumper Association, is a competition based sport organization that serves our members through its Four Cornerstones: educational programs, awards and recognition, communication and rules. We provide a wide array of programs for all levels of the hunter/jumper sport, and are mindful of the well-being of our equine partners. We are committed to preserving the history of our sport and the association. Through our Colorado Hunter Jumper Foundation, CHJA supports charitable and benevolent services.

## CHJA Vision
